Chapter 1 by R

i have two (2) crossbows which is two (2) more than you (u) have.

are you willing to fight?

huh?

are you punk? are you?

Chapter 2 by Harlander

Getting shot by someone with a crossbow when you don't have one seems to be stretching the definition of "fight" a little bit, don't you think?

Do you have any hand-to-hand weapons?

Chapter 3 by Wolfato the Bunacado (Wolves4Days) - Inactive

If you want to fight me then all I have to do is grab my ATOMIC BOMBS, and then blow you off the face of the earth!

Chapter 4 by Laura Frost

R you are completely forgetting both the two swords (although that one is a little rusty and is badly attached to the handle) and the battle axe in our basement.

Honestly sis if you're going to mention the weapons we own don't forget the medieval battle axe.

Sure, atomic bombs are nice, but they just don't have the class of the sword or the awesome factor of the battle axe.

Chapter 5 by FangirlBasics

Do you guys honestly think you're better than me? You can fight me? I have:

UNLIMITED LIVES

UNLIMITED BATTLE AXES

FIFTY SWORDS

BACKUP

Did I mention my backup is gods and warriors
